What makes my town special

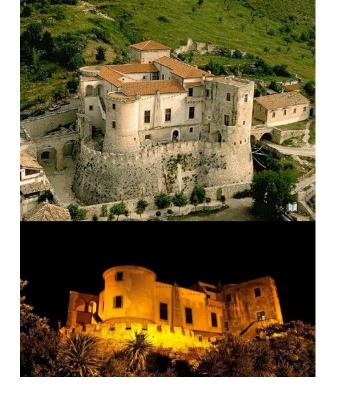

eTwinning

A medieval castle was the fortified home of an important person, such as a lord or king.

Pandone's Castle

Laghetto

Laghetto & Villetta

It is a great place for children

Palazzina Liberty

Fountain of "4 cannelle"

Archeological museum
A museum is a building that holds a collection of objects on ancient Romans

Archeological museum in Venafro

the Ancient Romans built towns with stone and / or brick buildings. These towns all had a similar design, much like a grid.

The shape on the map

The amphitheatre was the centre of entertainment in Roman times. It was a place where Roman citizens went to watch fights between gladiators and wild animals.

IL VERLASCIO DI VENAFRO

Anfiteatro

Ancient Romans used to build the big stone open-air theatres.

Teatro

The "Centro storico" is the oldest part of the city with many buildings dating back to the 1700s — and with streets that have existed from long before that —combine to create a walkable city obviously designed with old European concepts. The "Centro storico" also offers history, museums, places to stay, and eateries.

The oldest part of the city

Let's come to Venafro
