## Awesome Autumn

Come on it's autumn let's have ~~some~~ fun!

Even if there is no sun,

Roll up your sleeves!

We are going to get some leaves.

Oh! I just saw a squirrel in some trees!

Well Done! Let's go back inside before ~~freeze~~ we freeze!

Autumn is so magical don't you think so?

It's so cold it feels like you're stepping in snow.

It's so awesome all the colours you can see!

It is like the <sup>"leaves"</sup> leaves are free,

There are red leaves orange, green, white and brown.

You are all standing on them if you look down.

Thank you for listening to me while I read,

I hope you got what you needed,

Remember autumn is so much fun!

Even if there is no sun.
