MISSION STATEMENT

We are a non-profit organization that collects, stores and distributes donated food with a limited shelf life, complying with all food safety standards, as well as ready-to-eat foods that cannot be sold. This is food that is about to expire and to be destructed. With the help of people from vulnerable groups and volunteers, food is distributed to thousands in need.

This catalog was made by students from the Vocational School of Trade and Catering in connection with an Erasmus+ project.
