

True new:

A DAY IN BARCELONA

Yesterday morning the students from Escola Pia Olot, went to Barcelona with their partners of Czech Republic and Slovenia.

During the week (2nd to the 6st of February) some teenagers of Olot, Slovenia and the Txec Republic, realized an Erasmus project to work with news and fake news.

Yesterday, 5th of February of 2020, this teenagers, went to Barcelona to realize some activities like a video games exposition, a tour guide in the center of Barcelona... they also had free time to do others activities.

During the free time, some Spain teenagers and other ones, went to some cloth shops and bought things for themselves, but most of the teenagers of Slovenia and Txec republic, bought souvenirs for their family or friends.

The tour guide, durated an hour and a half and we also visited Maremagnum, which was grateful.

ERASMUS PROJECT

During this week, students from Escola Pia Olot had hosted teenagers of diferents countries like Italy, Slovenia, Czech Republic, Cyprus and Portugal.

This week, was an enjoyable experience for teenagers between 12 and 14 years who came from Italy, Slovenia, Czech Republic, Cyprus, Portugal and Spain. They had spend from Monday afternoon till Friday morning in Olot doing different types of activities. The first day, Tuesday the students, went to Portaventura world all the day. During the second day, this

teenagers went to "La fageda" and there they visited all the installations, specially, the factory where they make yogurts and strawberry jelly.

Yesterday, the last day they went to Barcelona to work with fake news with a professional journalist. They also had free time to go shopping, to have lunch and to have a great time with the other students from other countries.
