**The students of Spain, Slovenia and Czech Republic made an Erasmus + in Olot, Catalonia.**

During the week of the 2nd of March some students of Slovenia and Czech Republic were having an Erasmus in Olot, Catalonia.

At evening Monday, the students of Slovenia and Czech Republic arrived in Olot. All the families took her student and went home.

The first day the students of Olot showed to the students of the Erasmus + their school, their city, the most important places... And they receive the students of Erasmus +.

The second day they went to Barcelona, they visited an exhibition about game play, the city centre of Barcelona and they went to some shopping centre.

The third day they did some activities in the school. They made fake news all the day and they also went to "el Museu dels Volcans" in "el Parc Nou".

The last day they said goodbye and the students from Slovenia and Czech Republic returned to their houses.

***The students doing different activities.***

They had a lot of fun during the week and they learned so many things about the fake news.
