Hello everyone! My name is *Pintilie Maria* and I send you a lot of **positivity** and **love** from **Romania**.

I am a very active and involved person ... and very curious, that's why I wanted to be part of this project.

Here are some things about me:

1. A **smile** defines me! Whether I'm upset or have something on my mind, I like to smile and offer positivity and kindness to those around me. I like to have happy people around me.
2. I love to read, my favorite **books** are those full of adventure, mystery and love, but also those of personal or psychological development.
3. I am passionate about **biology**, that's why I have a science profile in my high school, but also **psychology**, more precisely forensic psychology, which I want to follow in the future.
4. I am passionate about **art**, in any form, music, painting, dance, photography ... absolutely all related to art.
I compose songs and poems...
5. I love **animals**, especially **cats**.
I have 6 cats, 6 dogs and 2 parrots. 😄 😊
6. I am attracted to **astronomy and astrology** and I like to know as much as possible about it. I consider Stephen Hawking a genius and an idol, as well as Einstein. And the Dark series, which you may know made me even more interested in all that "**universe**" means.
7. I love nature ... to go out in **nature**, to take pictures of plants and flowers or diff
