MONDAY 28	-ITALIAN TEAM: AIRPORT -POLISH TEAM: VISIT TO SIGUENZA AND NUCLEAR PLANT	AIRPORT SIGUENZA
TUESDAY 29	-POLISH TEAM BACK HOME	AIRPORT

Visit in Spain

From October 23rd to 28th, teachers and students from Italy and Poland visited the school in Ciffuentes in Spain. During the visit, students stayed at homes of their colleagues from Poland. Even before arrival, students contacted each other via messengers.

Each day was filled with classes at school and activities in other interesting places.

On the first day we met at school and visited Ciffuentes. It was a great experience to attend all the surprises that were prepared for us. After some integration activities we could take part in some workshops. The tours guides were students from Ciffuentes. They did a great job showing us around the town. Ciffuentes is so rich in its history and culture that the sightseeing was so exciting despite the cold weather.

The next day was a good experience for knowing something about the medieval history and architecture when visiting TORIJA CASTLE and BRIHUEGA. We also visited a museum of miniatures.

The third day was filled with the Spanish nature and activities on the fresh air. We had some games and quizzes in LA CUEVA DEL BEATO which is an amazing place. The students were working in international teams and also made a film together.

The real treat was the day on the local fest which took place in Ciffuentes. There were plenty to do for everybody on that day.

On Sunday we were in Madrid where we were sightseeing this beautiful city. There were many interesting places.

Polish team with Spanish friends visited two very interesting places on Monday. The first one was the nuclear plant and the second SIGUENZA. We visited the town and the cathedral.

Meeting with colleagues from other countries was a unique opportunity for us for personal development, broaden our horizons, and practice language and communication skills. We are extremely grateful to those who supported us in the preparation and organization of this visit.

Photos

Polish team presents their school.

The beautiful view of Cifuentes.

Let's meet each other better 😊

Madrid is great.

New school year

Activities coming this year:

😊 writing a storybook

- from November to May

😊 visit in Sardinia

- May

😊 Videoconferences

We are so happy to work together in the
school year 2020
