DISTANT LEARNING

Information

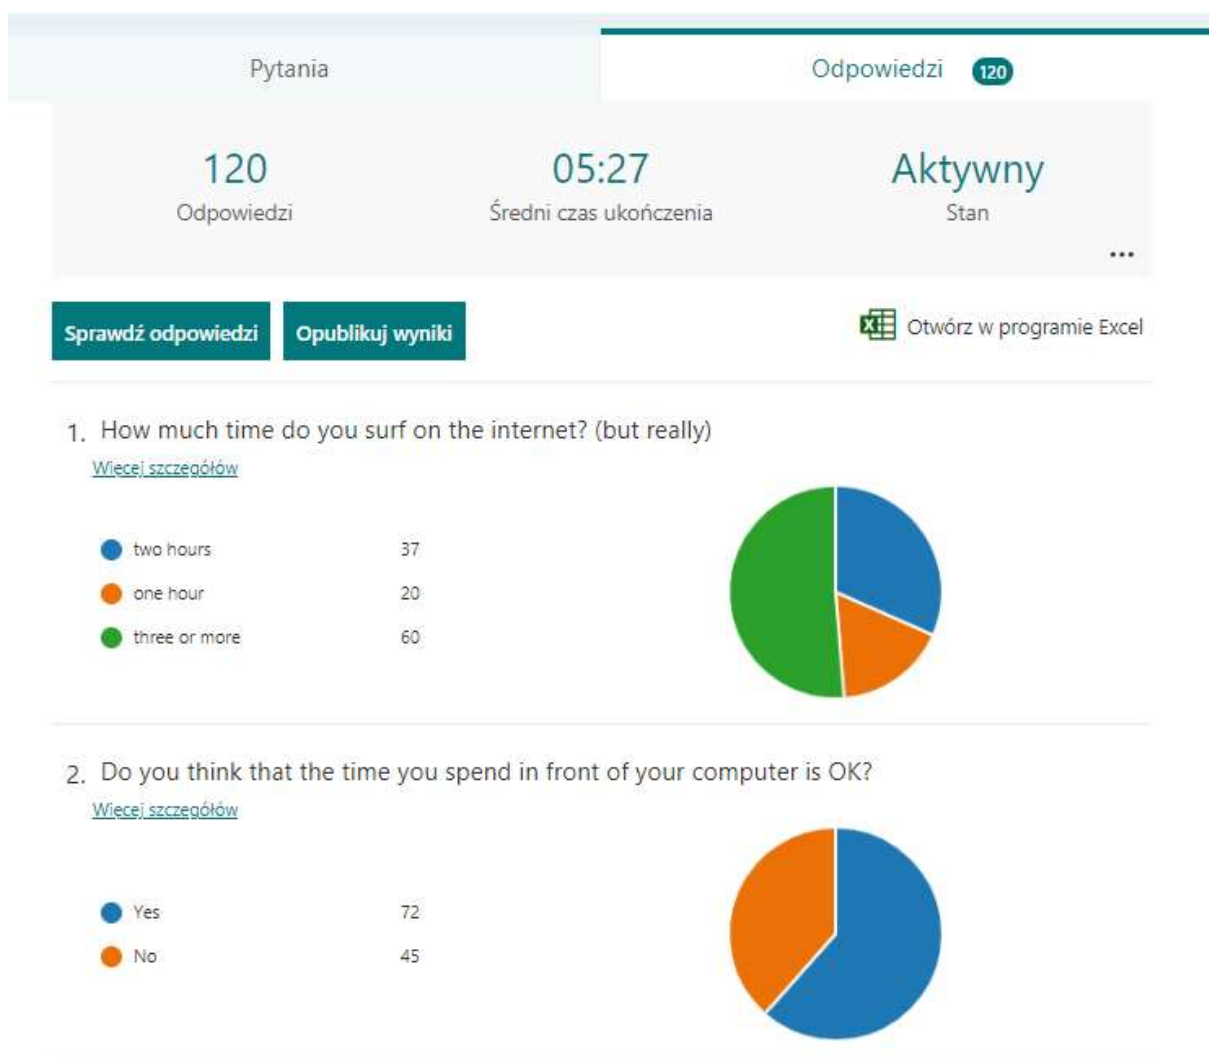

The project was extended until August 2021 and we received approval for on-line activities. These activities will be carried out in three stages:

1. Safer internet.

We started the activities from Safer Internet Day - 09.02.2021.

We shared some information and talked with our students about the importance of taking care to stay safe in the Internet our sources were the material prepared on www.saferinternetday.org

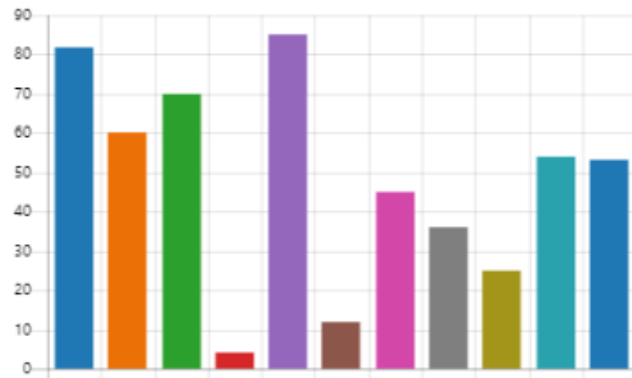

We interviewed students about online safety. Polish students prepared and shared a questionnaire on online safety in all three partner schools, and their results are below:
