

## 2. POLAND:

---

- They are very pretty, nice and comprehensive people.
- They are tall people.
- They like to know new people and meet Friends, they enjoy talking with people with things in common (they are talkative).
- They have very hard-to-pronunciate surnames.
- They like to be informed about plans that they are going to do.
- They have a characterictic that is to complain about all. They are also calm and extrovert people.
- They like another type of food that foreigners don't "understand".
- They are vulgar, they dominate the street's language.
