We made a campfire and ate good food  
Played some ice breaking games  
Generally we had a lot of fun in Powsin

(HUNTER)

# MONDAY

- In the morning we had IT lessons, we were learning Photoshop skills
- After learning few tricks we headed to Ursynów office
- We heard presentations about different parts of European history
- Then we worked out what is typical for the different countries in a workshop and were presented with typical polish donuts when we were finished

# TUESDAY

- We did a city game about communism
- Originally, a lunch in a milk bar was planned, but it did not really work out, so we ate at KFC
- Then we visited a museum about the polish live during communism and then took a tour in a cucumber bus
- Later on we went to the mall and then we went on the top of the palace of culture and science and enjoyed the great view on Warsaw

# WEDNESDAY

- We had a long history lesson in the morning and each country introduced some traditional jobs to the rest of the participants
- Afterwards we visited a really knowledgeable bee keeper and tried some honey, unfortunately we could not see many bees because of the bad weather, but it was still really interesting
- Then we had some miscommunications during lunch, but finally we all got something to eat
- Afterwards we spent two hours in a film park and took pictures of cars
- In the evening we did a really great barbecue at Jans place and listened to some nice spanish music

# \*PICTURES OF WEDNESDAY\*

# THURSDAY

- First we had an interactive chemistry lesson on vinegar and its use
- Then a teacher from cyprus introduced us to some traditional arts
- Then we started working on our presentations for Friday
- After that we participated in yet another city game about the warsaw ghetto and then finally tasted some good traditional polish food
- We finished the day by walking through the old city and chilling in a nice Cafe

# FRIDAY

- Today we are finishing our presentations and then presenting then
- Then we will do some other things and eat one last lunch in the school cafeteria
