THE OLDEST OCUPATION IN ROMANIA

SHEEP BREEDING

- ▶ Sheep breeding is the most important occupation for the Romanian heritage.
- ▶ The shepherds travelled every Spring to the pastures in the high mountains, coming back in Autumn in order to spend the Winter in a warmer region, missing their families many months.

SHEEP BREEDING

- ▶ They take care of the sheep and the lambs, make the cheese, cut the wool and make a good business with their products.
- ▶ Together with their dogs they have to fight the bears and the wolfs, which came almost every night in order to take their share without payment...
