

(STROFE 1)

This is not a begining.

This is the end.

About a good story:

we are good friends.

You must look to the future

and not to the end.

Yeah because we love each other

and we sing!

(REFREIN)

And we gonna laugh – laugh - laugh about the things we do.

And we gonna cry – cry - cry when we lose each other.

And we gonna laugh – laugh - laugh about the things we like.

And we never gone lie about the secrets we have.

(RAP)

YO!!

We're just best friends

from the begining to the end.

We're always singing together

and it never comes to an end .

When we are talking on the phone

We're laughing out loud.

They're looking at me like I'm crazy

but I realy don't care.

When we're driving in the car

and turning everything up,

we're always laughing

about the looks that we get.

Now we sing we gonna laugh – laugh - laugh and cry – cry – cry

We're just best friends forever and tell them forever and never lie.

(REFREIN)

And we gonna laugh – laugh - laugh about the things we do.
And we gonna cry – cry - cry when we lose each other.
And we gonna laugh – laugh - laugh about the things we like.
And we never gone lie about the secrets we have.

(STROFE 2)

Yeah we are crazy but we love each other.
When I go to a party - not without you!
This is the truth that we tell you now.
We can't live without us.

(REFREIN)

And we gonna laugh – laugh - laugh about the things we do.
And we gonna cry – cry - cry when we lose each other.
And we gonna laugh – laugh - laugh about the things we like.
And we never gone lie about the secrets we have.

(1 KEER TRAAG HET REFREIN)

And we gonna laugh – laugh - laugh about the things we do.
And we gonna cry – cry - cry when we lose each other.
And we gonna laugh – laugh - laugh about the things we like.
And we never gone lie about the secrets we have.
