Disability	Easy access to public places should be compulsory	Financial support paperwork should be made reduced
Gender	Employers should employ a percentage of women to avoid discrimination against those who have children	Awareness should be raised in schools in relation to male-dominated culture
Ethnicity	More positive Romani referents must be known to change stereotypes	More training programmes are needed to help ethnic minorities competing in the job market
Immigration	International agreements must be respected so that each country helps their allocated percentage of immigrants	Immigration centres must be given more resources to provide proper care to immigrants
Sexual Identity	Bullying affecting teenagers must be avoided in school	Anyone's sexual choice must remain private
Religion	Religions must adapt to society demands nowadays to attract more followers	Stronger and tougher measurements should be put in place to prevent sexual abuse within the Church
