----------	--	--	-----------------------------	-------------------------------------	--

SUNDAY: Learning about Albacete's origins and history through cultural visits to the nearby villages of Chinchilla de Montearagón and Alcalá del Júcar.

NOTES:

- This programme will run parallel with C1 (short-term exchange of groups of students) and some of the activities will be done together with the students involved.
- The contents of the Spanish lessons will be either Spanish Language or any other curriculum subjects, depending on each host student's school timetable.
- The guest teachers will be invited to attend all of them according to their interests.
- After the preparation during the CLIL methodology workshop, the guest teachers will be encouraged to deliver a CLIL lesson with the help of the host teachers the following day(s).
-
