## TWINNING AND COOPERATION AGREEMENT

For Educational and Cultural Purposes

between

The Model Experimental Junior High School

Of the University of Macedonia (Thessaloniki, Greece)

and

the IIS Liceo Classico G. Mazzatinti (Gubbio, Italy)

Academic Year 2015 – 2016

The Model Experimental Junior High School of the University of Macedonia and the IIS Liceo Classico G. Mazzatinti (Gubbio, Italy) decided to sign the cooperation agreement at hand on the opportunity of the "Keep calm and preserve our heritage. Two cities, two friends" Project they have taken up together, the exchange of visits between their pedagogic teams, and the relationship that has been forged between the students of the two schools thanks to the hosting programs they have participated in. The cooperation agreement is the result of unanimous decisions taken by the teachers' boards and the administrative bodies of the two schools, who concurred to sign and implement it.

With this cooperation agreement, the Model Junior High School of the University of Macedonia (Thessaloniki, Greece) and the Liceo Classico G. Mazzatinti (Gubbio, Italy) declare that they are twin schools and agree to cooperate on issues pertaining to education, school administration, and culture for the benefit of their students and all their employees, tightening their European ties and promoting the culture of Piece.
