

A TRAVEL IN NEW YORK

The Ground Zero Museum Workshop is one of the most known museums in New York.

For children, there is the toy store , FAO Schwarz, based on 767 5th Avenue. It is a wonderful place where your kids can play. The museum is the most crowded during the holiday season. In November you can go ice-skating in Central Park.

Weather

In New York the temperature in summer is generally around 81°F and in winter -13°F . That's why you should go there in spring. The temperature is usually 40°F.

To go to New York you have to take a plane, a train or a boat.
