OUR VISION

”Students’ education of today is Romania’s chance of tomorrow.”

OUR MISSION

Our school promotes identification of student's abilities and realization of educational objectives through the “school-student-local community partnership” offering a chance to each student to build their own future and to adapt to a dynamic society.

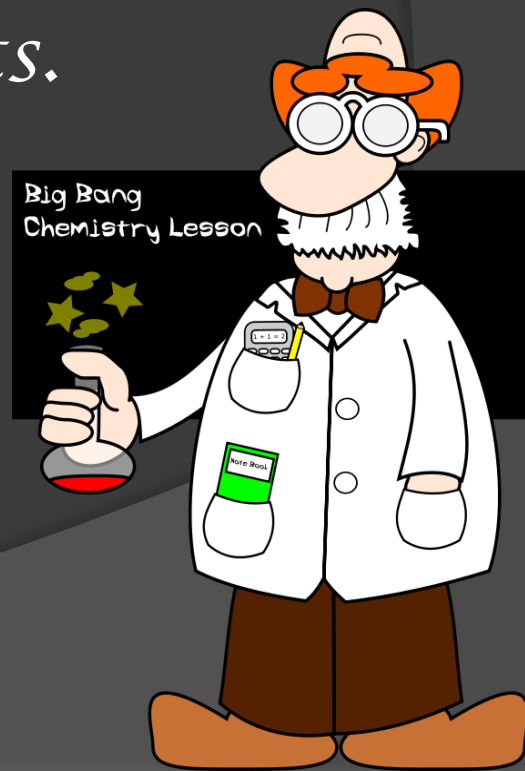

Our resources

Modern, well-equipped laboratories (chemistry, environmental protection, languages, ICT etc.)

-Friendly, motivated and cooperative teachers.

-Open and hard-working students.

LABORATORIES

European Projects

We value our outstanding cooperation with European schools and educational institutions funded under LLP and Erasmus+ Programmes of the EU.

For 2010-2017 period we got 7 LLP/Erasmus+ projects approved.
