Other Suggestions of our Students

in this page no disrespected is allowed

Antonio Barrios Nevado

The rules that I'll propose for etwinning's project are:

- Respect all the students independently of their nationality.*
- Don't criticise the works of our classmates, the most important thing is to strive.*
- Try to do your best in all the works, don't give up.*
- Don't pretend to be better to another country, learn from them.*

- Even if you work hard at your jobs, it doesn't mean you don't have to help your classmates . At the opposite, it will make you feel better.
