

I Caught A Leprechaun Freebie

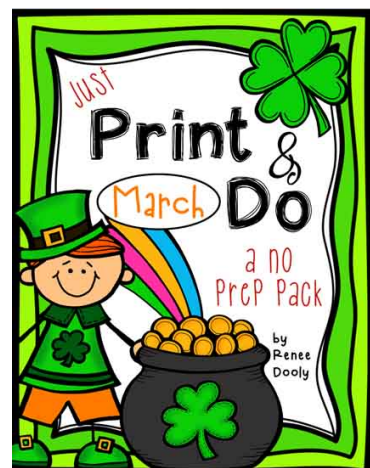

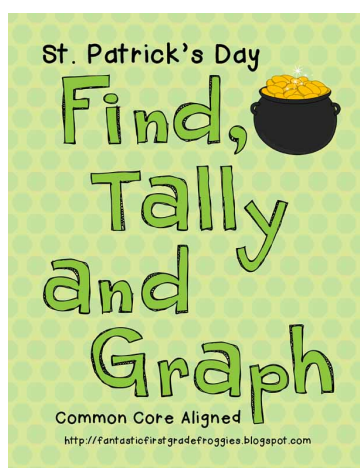

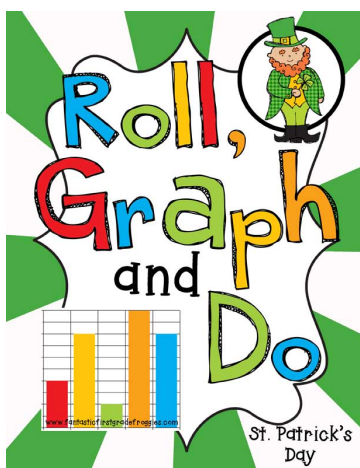

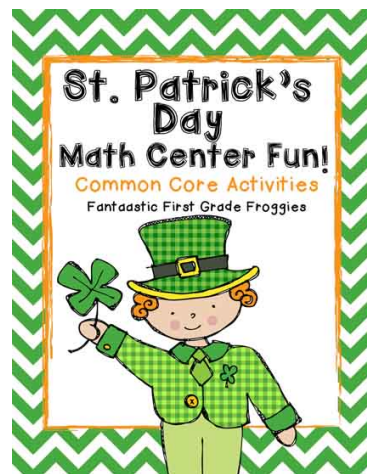

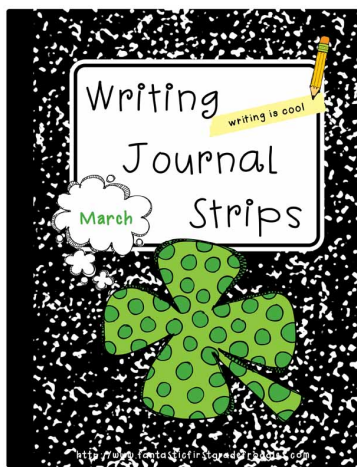

by
Renee Dooly

Thanks for downloading this freebie. After reading a St. Patrick's Day story, have the kids brainstorm what three wishes they would choose if they caught a leprechaun. After brainstorming, have the students write their three wishes onto the paper provided.

Have the kids assemble the leprechaun, see the picture below. For the beard, I gave each child a scrap of orange paper. They made their beard and/or hair by ripping the paper into small pieces. Some of the girls chose to make girl leprechauns, so they did not add a beard.
