

# HEE HET DANST

Marco Borsato

Armin Van Buuren

Davinan Michelle

I have the keys, the doorknob in my hand  
But I doubt whether I can still really go inside  
Your every move seems away from me  
I haven't seen your heart open for so long

Do you want to know how it dances without me?  
Maybe you have more balance without me  
If I have to, I will step aside  
If it is better, if it is better

Does life have more shine without me?  
Will love get another chance without me?  
If that is really the case, then I will release you  
If it is better, if it is better

Won't say I don't miss you  
The front door opens and I slam shut again  
Even though what I want to say is on my face, oh  
I can't talk to you so I'll keep quiet

But it feels like you don't want to fight for me  
Do you want to know how it dances without me?  
Maybe you have more balance without me  
If I have to, I will step aside

If that's better, if that's better  
Does life have more shine without me?  
Will love get another chance without me?  
If that is really the case, then I will release you

Wil je weten hee het danst zonder mij?  
Misschien heb je  
meer balans zonder  
mij

If it is better, if it is better  
Won't say I don't miss you  
Go and see how it dances  
Go and see how it dances

My keys, I have the doorknob in my hand  
I'll learn how to dance without you  
Even though I miss the balance without you  
Oh, I hope I can do it without you

If it's better, if it's better  
Go see how it dances  
Go see how it dances  
Do you want to know how it dances without me?

It's not that I don't want to  
But I seem to have been forgotten all the way  
Wouldn't know which direction  
Which way still leads to you

If it is better, if it is better  
Go see how it dances without me  
Give love another chance without me  
If I have to, I will step aside

Maybe you have more balance without me  
If I have to, I will step aside  
If it is better, if it is better  
Don't mean to say I don't miss you
