The theater of life

We know what we are, but know not what we may
William Shakespeare

LIFE

Life is ours to be spent, not to be saved.
D. H. Lawrence

LOVE

Living is strife and torment, disappointment
and love and sacrifice, golden sunsets and
black storms.
Laurence Oliver

Love, which insists that love shall mutual be.
Dante Alighieri

Life is a sum of all your
choices.
Albert Camus

If you wished to be loved, love.
Lucio Anneo Seneca

This song invokes a sense of acceptance. A loving acceptance of oneself. It doesn't matter how many mistakes are made, how many regrets...

Questa canzone richiama un senso di accettazione. Un'accettazione amorevole nei confronti di sé. Non importa quanti sono gli errori commessi, quanti i rimpianti...

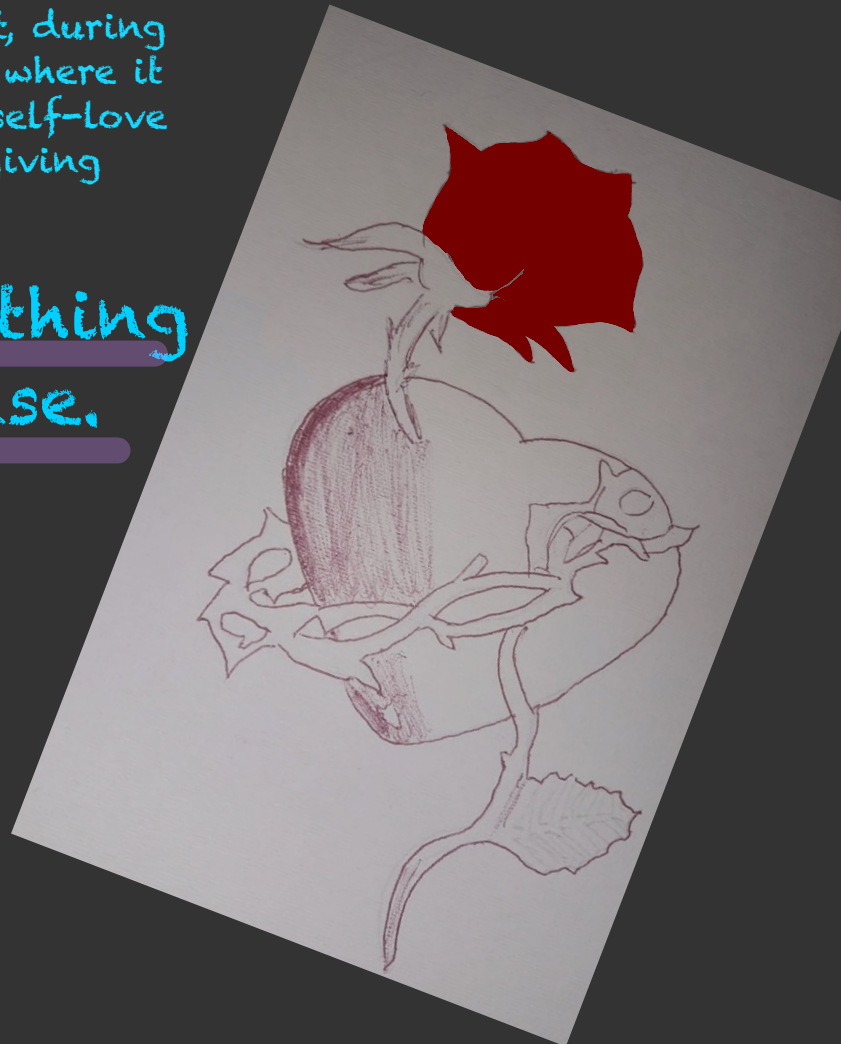

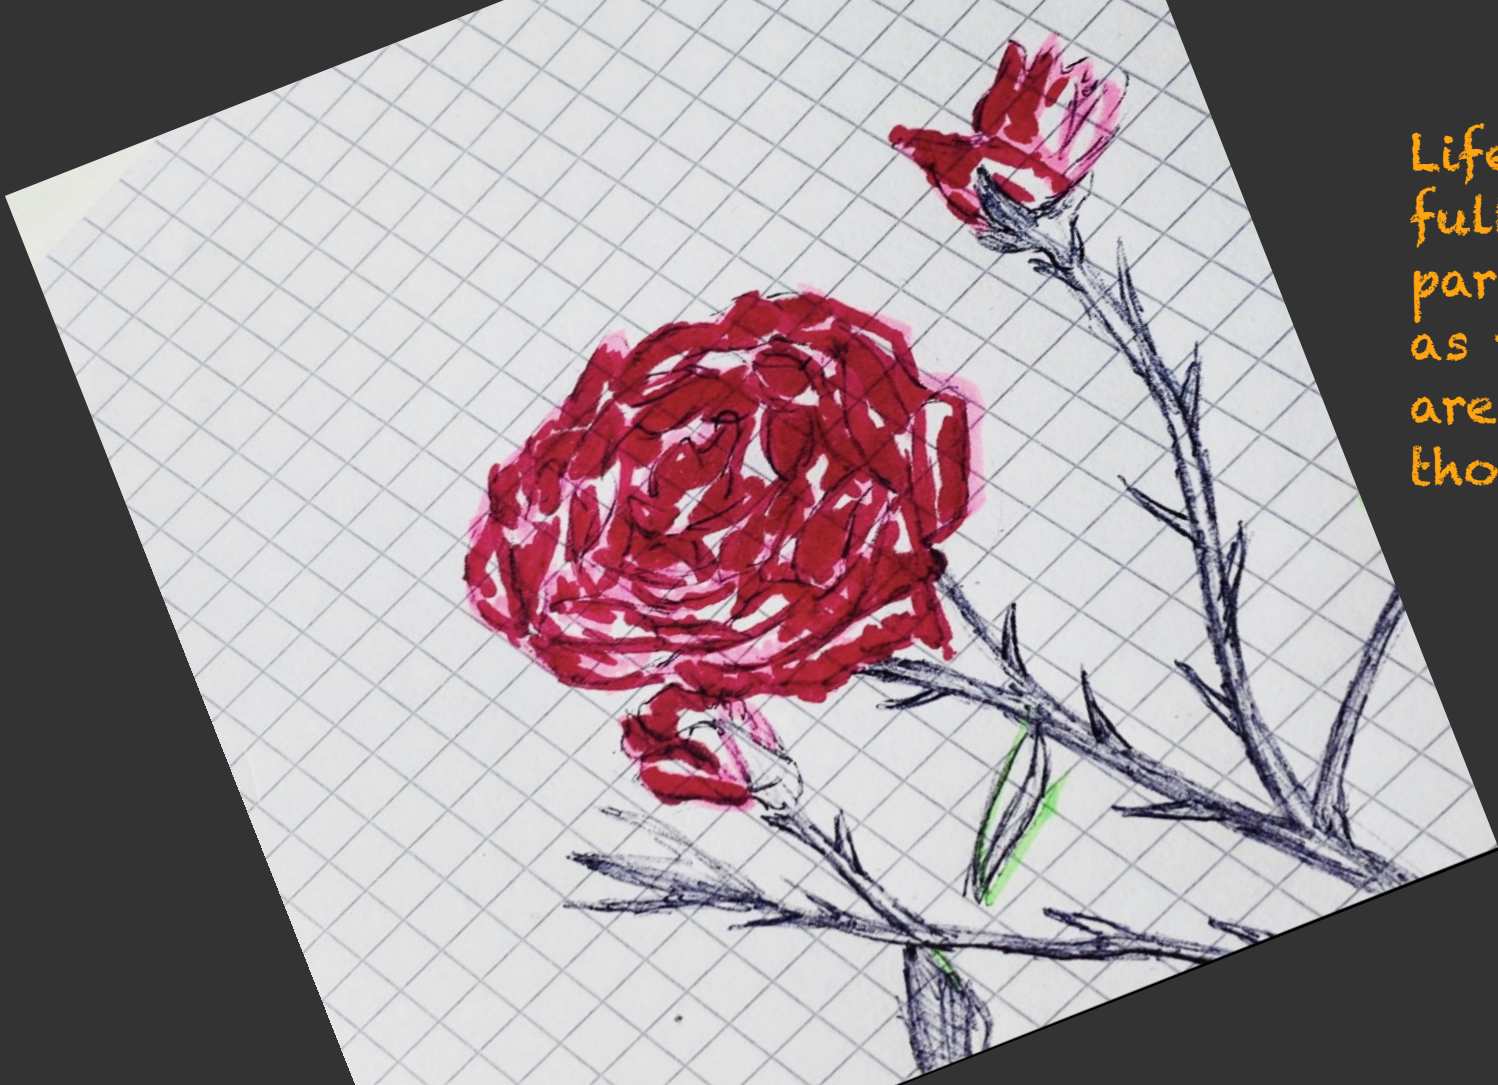

There comes a point, during the journey of life, where it is understood that self-love is the first step in giving oneself to others...

And everything
makes sense.

Arriva un punto, durante il cammino della vita, in cui si comprende che l'amore di sé è il primo passo per donarsi agli altri...

E tutto ha
senso.

Life is
full of
paradoxes,
as roses
are of
thorns.
