

I moved to Lincoln when I was 8 because my Mum and Dad got divorced so I went to live with my Grandmother and Granddad. I lived with my Grandmother and Granddad for 3 years then moved to a new house that my Grandfather bought and we rent the house now, I see my Dad every 2 weeks he lives in my place of Manchester. I sport my Dad's favourite team Manchester United my favourite player is W. Rooney.

In Lincoln we have a Cathedral, it looks stunning. We have a lot of history everywhere. We have a magnificent castle. Brown's shop is haunted with a ghost called Henry.
