Dear partner school I come from Washington
 borough Academy I've been here since I was
 three I'm going to tell you about the
 I am nine years old, and I was born on the
 16th of December 2006. I have six pets named
 Rusty, Mischief, Jiggy and Bibbles you might
 be wondering I said I only named
 your the other has sadly died, it was a bird.

My other pets are all rabbits. Misty looks
 about like a penguin white stomach black body
 white paws etc. Sometimes Misty bites me
 but Misty is cute, Jiggy and tiny I got her
 on my 9th birthday Mischief is named she's a
 dwarf rabbit with a lion head. She lives inside.

Mischief is Misty's sister but she is a dog and
 not even one yet and she's as big as your hands
 she lives outside. Jiggy and Bibbles are brothers
 they are old they are four years old they
 live outside but not with Mischief.
 My name is Jiggy.

London is a small city and there are lots
 of places to go and visit. I like London
 because its not to big and not to
 small thats why I like London.
