Dear Mr & Mrs,

I am going to tell all about our school in this letter. I will tell you about what we do and what we are known for. We are working towards a cademy.

I think the school is good because we get PE and on Fridays we get a thing called enrichment we have different groups for enrichment such as sport, facts, reading, cooking and acting (we pick one group for the month that we are working on). We do cycling on Fridays with the men that work at Smege.

We have a veggie truck and in our vegetable patch we grow carrots, onions, garlic, courgetts and raspberries and in our herb garden with all the herbs in it.

We have 4 playgrounds and 2 massive fields in the summer we play on the fields but when the fields are wet we go on the playground. Playground 2 has a climbing wall with big poppy red things to hold onto and yellow ones that are stilly smother and Lincoln green ones are miniature.

We are known for are cycling we have all 3 of the Bike It awards Brown, Silver and Gold every year we get better at cycling. We have 3 bike sheds.
