Dough:

35 dag all-purpose flour

1 egg

water

Filling:

20 dag dry curd

80 dag potatoes, boiled in their jackets

1 onion

1 tablespoon fat

Salt to taste

Pepper to taste

In addition:

Fat

1 glass sour cream

PREPARATION

Rice potatoes and mix them with riced dry curd. Peel an onion and fry it till golden. Season to taste with some salt and pepper.

Mix flour with the egg, salt and a little lukewarm water at a time. Bring the dough together, kneading well and adding more flour or water if necessary.

On a floured work surface, roll the dough out thinly and cut with a glass. Spoon a portion of the filling into the middle of each circle. Fold dough in half and pinch edges together.

Bring a large, low saucepan of salted water to boil. Drop in the pierogi. When the pierogi rise to the surface, continue to simmer a few minutes more. Remove pierogi with a slotted spoon to a plate. Add some fat.

Serve warm with sour cream, if desired.
