**Trip to Brasov, Romania**

Aristotelio College, Thessaloniki, Greece

My travel to Brasov, Romania was very interesting and exciting. I enjoyed it very much! I stayed at a lovely family. They have a big and nice house. There was a small dog who lives in the garden. When we arrived, we met the family members (the mother, the father and little Nedeea. We played a lot (hover board, Xbox) and we spoke English. We learnt some Romanian words (Good Morning=Buna dimineata, milk=lapte) and at nights we watched the Romanian Survivor. 😊😊

On the first day we went to the Romanian school. In the first class we sang songs. We knew the Romanian pupils from the school and kindergarten (little Sofia was very cute ♥) and the Erasmus partners from other countries.

Then we went to the snow center by bus. It was fantastic and amazing!! ❄️

We played with snowballs and slid down the hill and we laughed a lot. After that we went to a cafeteria to drink coffee and hot chocolate.

On the second day we presented our inventions. Then we sang the anthem of our school, Aristotelio College. Later we listened to the presentations of the other children from Italy, France, Scotland and Romania. They also had very interesting inventions.

During the third day we had a trip to the nearby town of Sighisoara.

The most beautiful part was the view of the landscape from the History Museum. We also visited the house where Dracula was born. They told us the history of the town's school. We met stray dogs here....they were very cute. ❤️ 🐕

The next day we walked in the city center of Brasov. We visited the famous Black Church. We saw a lot of old and beautiful buildings and walked around on small and friendly streets. Of course we also had time to do some shopping! In the evening we had a great Women's Day Party. We received flowers and danced until late at night. I loved it very much!! We were dancing queens ☺

On the final day we visited the Dino Park and the Castle of Dracula. In the dinosaur park we saw a lot of great dinosaurs. There was also a 9D cinema.

The Castle of Dracula was also great! We saw the rooms where he lived and worked. There were many old swords and shields and clothes.

In the evening we bought souvenirs for our parents and classmates, but also for the little girl in the family.

On Saturday we left at 5 o'clock in the morning. It was still dark and cold. This was the most horrible thing during the travel. I arrived home in the afternoon. I was very happy to see my parents again, but I also miss the beautiful and snowy Brasov! I will keep this travel as a sweet and unforgettable memory! ☺♥THANK YOU!!!
