

MY TRIP TO PARIS

4-9 MAY 2017

Aristotelio College, Greece

by Stavroula Chatzikonstantinou, grade 6

Aristoteleio College went to Paris!!!!!! We had a great time and we took back to Greece the most beautiful memories!

We saw a lot of things and we learned some facts about Paris and its monuments.

We walked in the streets for a long time and we were very tired! My favourite monument was the Notre Dame! It was beautiful!

But the most exciting of all was that I stayed with a family that I had never seen before! They were: the father, Fabrice, the mother, Kathryne, and the two children, Chloe and Adam. All of them were good and happy people. I played with the kids and I understood that they are clever. I loved them and I really hope to see them again!

IT WAS THE MOST EXCITING TRIP THAT I HAVE EVER BEEN ON!!!!!!!!!!
