• Total is a French multinational oil and gas company founded in 1924 and one of the seven Supermajor oil companies in the world. It's businesses cover the entire oil and gas chain from crude oil and natural gas exploration and production to power generation, transportation, refining, petroleum product marketing and international crude oil and product trading. Total is also a large scale chemicals manufacturer.

• In May 2014, the company shelved its Joslyn North oil sands project in the Athabasca region of Alberta, Canada indefinitely, citing concerns about operating costs. An estimated \$11 billion has been spent on the project, in which Total is the largest shareholder with 38.5%. Suncor Energy holds 36.75%, Occidental Petroleum owns 15% and Japan's Inpex has a 10% interest

• The company is involved in 23 projects of exploration and production in Africa, Asia, Europe, North America, South America and Russia

• Total SE has been involved in multiple controversies. Some of them are Malta, Italy, Iran and Moroccan Sahara.
