SUMMARY:

Munich Re based in Munich is a reinsurance company. The group also includes the subsidiary ERGO, which carries out direct insurance. The company's shares (WKN 843002) are listed on all German stock exchanges and on Xetra, the telematic market of the Frankfurt Stock Exchange. The company is part of the DAX of the Frankfurt Stock Exchange and of the Dow Jones EURO STOXX 50. In addition to reinsurance, Munich Re has also operated direct insurance through the ERGO group as well as asset management since 1999 through MEAG (MUNICH ERGO Asset Management GmbH). The subsidiary in the direct insurance sector, ERGO, operates in 160 countries worldwide and has approx. 40 million customers. The other part of the ERGO group are the insurance subsidiaries D.A.S., DKV, Europäische Reiseversicherung AG and the IT services company ITERGO.
