## MY INVESTMENTS

I decided to invest in group 3, but unfortunately its value decreased during January so it became much more difficult to find out convenient investments.

  - Airbus Group
  - Bayer
  - Essilor Luxottica

  - KONE Oyj

Since covid made decrease the value of most of the stock indexes so I lost part of my capital but I tried to focus on companies that can contribute to the production of anti-covid vaccine, like the pharmaceutical ones; it helped me save some money, to reduce the lost and to make some convenient investments.
