

## Engine Marketing and Advertising

**About us :** Engine is a new kind of data-driven marketing solutions company. Powered by data, driven by results and guided by people, we help our clients make connections that count—leading to bottom line growth, an inspired workplace and business transformation. With global headquarters in New York and 17 offices across North America, the UK, Europe and Asia-Pacific, Engine offers clients a vast range of marketing solutions—from insights and content to distribution and technology.
