## Visit Navantia Factory

---

Aims:

- Visit to the Museum and Historical Zone “Dique de Cádiz”
- Information about the dry dock
- Information about how the Naval Industry Navantia is adapting to the Industry 4.0

Done using the google form: <https://forms.gle/dbXCpUiymGfAiwHbZ>

After the visit to the Naval Factory of Navantia, we want that your team answers the following questions:

1. What are the main milestones of Navantia during its history of naval factory to adapt to the social, employment and naval transport necessities?
2. How is the Navantia factory facing the IV Industrial revolution?
3. How will the improvements done to the Navantia factory help to the sustainability of the Bay of Cádiz?
4. What is the role of Navantia factory in the Baltic Wiking Eolic Power Station?
