Our students like working with this online graphic platform and they regularly use it for homework and school projects

This online application with useful functionality of creating various graphic designs.

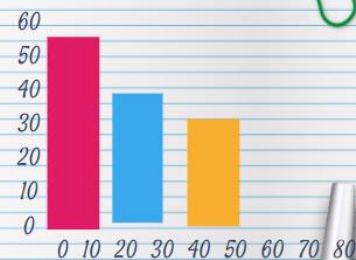

Canva offers a possibility to share documents and it facilitates a students' cooperation on the same project.

Režim celej obrazovky ukončíte stlačením klávesa Esc

Students are supposed to write the answers and solutions directly into the document.

Afterwards, to sign, scan/photo and send it to the teacher's e-mail in order to be assessed.

HOMWORKS & WORKSHEETS

WWW.SOAZA.SK

Web Study Room

All the relevant study materials are published on the school webpage.

Students got access to this online library at the beginning of their secondary school studies, in the first year/grade.

One of the advantages of the Web Study Room is to provide 24/7 access to digital study materials.

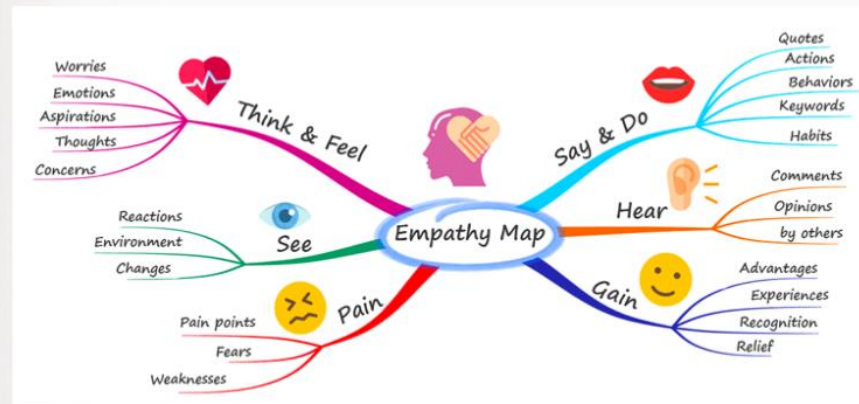

PURPOSE GAMES

geographic skills and map orientation

While providing a useful grid of bonds, relationships or simple knowledge, the students show the educational content through a graphic way.
