## STORY LINE

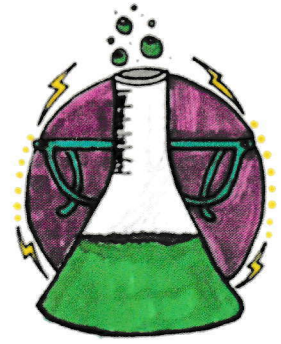

### **“Natural phenomena through Ulysses’ adventures”**

*We like to play roles. We love Homer, the poet of the Iliad and the Odyssey that is supposed to have been born in Chios. But we also like to explore the world and what is happening around us. Come and wander along with the wealthy Odysseus and his comrades trying to cope with the challenges that have passed, exploring the natural phenomena*

*Lights, sound and ... the show begins!*
