

ACTIVITY PAPER

Help Athena with her problem.

Oh! Something
has bitten me.

What was it?

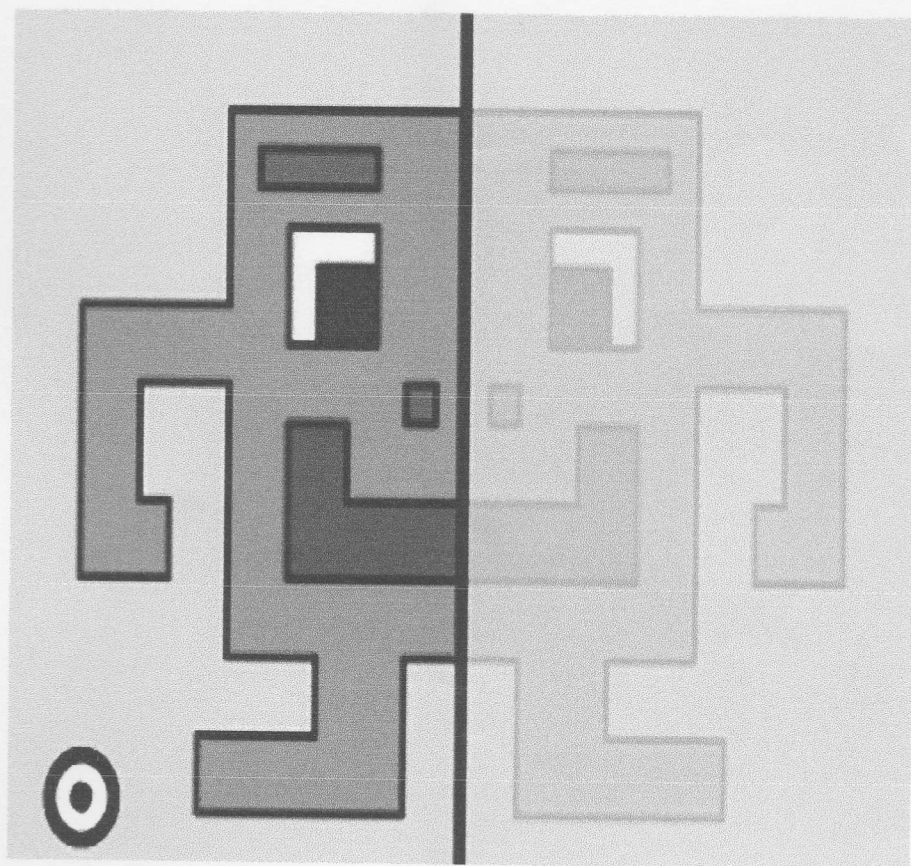

Use any materials needed to make a medicine for
Athena's problem.

ACTIVITY PAPER

Help Athena with her problem.

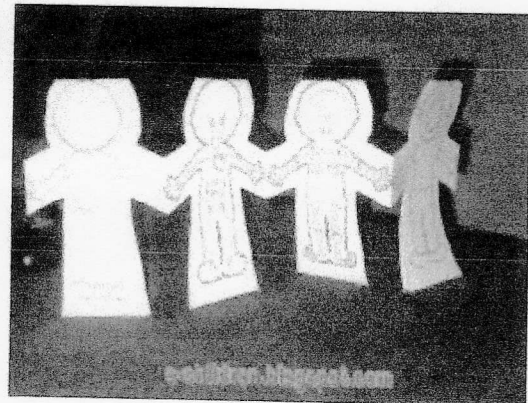

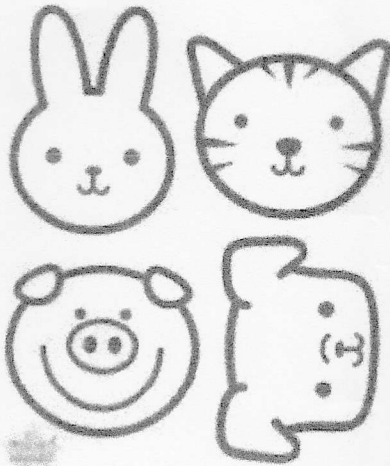

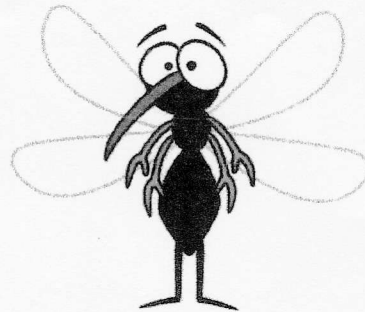

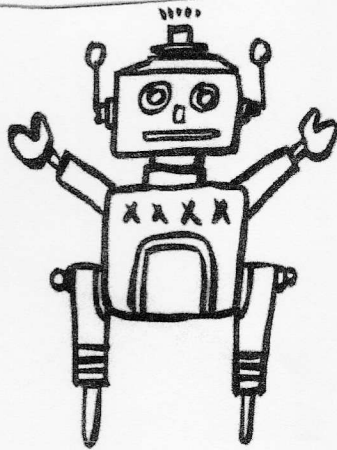

Use any materials needed to make a medicine for Athena's problem.

ACTIVITY PAPER

Cut and fold any of the shapes which are given to you, along the symmetry axis and construct 3-D little people, animals, insects or whatever you wish.

Will your friends guess what you have made?

That's impossible!
You've told us that
 $x = 10$, yesterday!!

ACTIVITY PAPER

Fill in the glass up to the point the fractional number demands.

Your fractional number is : $\frac{43}{129}$
