the Good stuff™

- ☺ the international groups
- ☺ lots of outside school-activities

not so good stuff

the "Bad" Stuff™

- ☹ people spoke a lot of their own languages
- ☹ the long lectures were boring

suggestions

- ? more English spoken so everyone understands
- ? students get to do more ^{Erasmus +} (lessons etc)
- ? more lessons as a student (get to do stuff)
- ? more subjects and variety in questions
- ? more stuff in international groups
