

## England - Katie Mitchell.

### What we liked more:

- & Talks from outside businesses/people
  - & Visiting the different locations e.g. ~~the~~ museum.
  - & Working in international groups.
  - & Experiencing their culture.
- 

### What we liked least:

- & Some presentations were repetitive
- 

### Suggestions for improvement:

- & Allowing students to organize the activities.
  - & Include more out of school activities in the evenings.
-

# Evaluation:

- o The days were very good however the business activity in the school where we talked about our business ideas could have been a more interactive.
- o The school and week overall however was very good and the activities over all were very interesting to do.
- o The talks were very good and I loved learning about the ~~to~~ 'starting your own business'.

# England

## Pros

- Interesting speeches.
- Evening activities with the group
- Working in International groups.
- Going out to places - museum.
- Activities planned by students were good.  
- Proacatermia
- Lots of Independence.
- Experience Lessons.
- Traditional food.

## Cons

- Some activities were not so interesting like E-twinning

## Suggestions

more activities ~~in~~ in International groups - like proacatermia
