

Things to take home

-Finland:

1. The Spanish have recycling sites at school.
2. Awards for recycling in Spain, eg. lollipops, if you take
3. recyclable things to school.
3. In Italy, they have recycling competitions.

Ideas to be developed:

1. An application for finding one's bike.
2. Placing students to live with old people. The old people are being taken care of and have company. Students get housing.
3. Public toilet radar
