

## Resistance

Look at the exhibited clover leaf made of cloth.

- What does a four-leaf clover symbolise?

A four-leaf clover symbolise the ~~luck~~<sup>luck</sup> for their lifes.

- Why do you think the prisoner felt the need to make a four-leaf clover?

The prisoners felt the need to make a four-leaf ~~clover~~<sup>clover</sup> so they can have the luck and survive.

Look at the exhibits «Notebook with the theory of spelling» and «Notebook with recipes.» What do you think, why did the prisoners write such things?

Prisoners felt so hungry and so isolated, so they wrote recipes and theories of spelling to heal their pain and fill their needs.

Based on the museum exhibits, try to establish whether there were any secret organisations of prisoners in the camp. What was the goal of these organisations?

They ~~were~~ had secret organisations in the camp  
 They were written in invisible ink -  
 They had about 56 people, Ivica Sabjok  
 was secretary of the Camp ~~in~~ committee  
 of The Gradiska came off 13 June 1944 for  
 helping

Find the exhibits telling us about the attempted breakout from the camp. When was the breakout organised? How did it end?

The breakout organised to be in <sup>22</sup> April 1944  
 From 1000 prisoners, 800 could be participated  
 but only 90 be alived and survived
