

Racial Laws

Study the Ustasha laws and answer these questions:

Which parts of the population were persecuted by the Ustasha regime and why?

~~The~~ Jews, oppositional groups, Serbs

Which parts of the Ustasha laws do you find strange or unacceptable? Why?

all of them.
Because they discriminate specific humans
and religious believes.

What do laws like these tell us about the state that proclaimed them?

Brainwashed.

Do you think that obeying the law is always the moral thing to do in such a state?

In theory no, you should stand up for yourself, but we would adapt to survive.

Find the poster with the *Notice about the relocation of all Serbs and Jews north of Ilica and Vlaška street* and discuss the contents of the notice. How would you feel if your state prohibited you from living in a particular part of your town?

Discrimination
