Medical help, friendly to them

2. In case that they started hot spots in Lemnos or in a place near your home, what do you think it would be the reactions?

Angry, miserable, afraid, fear

3. How do you think should this problem be treated by the governments and the European Union?

with attention, care and

~~se~~ being serious about this
problem

4. How can we motivate people in order to raise awareness?

By helping each other
giving a good example

5. Do you think this project helps? If yes, explain how.

Yes, because we
broadened our minds and
learned all about the
different situations and how
they can be treated

Erasmus+

"Together: equal in dignity and rights"

Question paper

1. How could we help refugees and make them dream again?

The only we have to do is to accept them and make them feel comfort in our country.

2. In case that they started hot spots in Lemnos or in a place near your home, what do you think it would be the reactions?

We are a small community in Lemnos so, if the refugees come in my village and they are up to 1000 people we will be minority at the end.

3. How do you think should this problem be treated by the governments and the European Union?

We don't know

4. How can we motivate people in order to raise awareness?

We can inform them about the conditions and make people feel like refugees.

5. Do you think this project helps? If yes, explain how.

It helps because we have the opportunity to learn more about the immigration.

Erasmus+

"Together: equal in dignity and rights"
