

LESSON 3_Self - discovery, self - expression

The book about me

This activity requires 15 - 20 min daily and the children should write the book about them approximately 10 days in the way, that they will complete the sentences and draw a picture to each sentence.

I feel when.....

I am tired when...

My mother thinks I am.....

I like doing..... the most

My favorite food is.....

I am angry when.....

My father thinks I am.....

I like playing with.....the most

My favorite toy is.....

I think about my (sister, brother, friend....., choose one of them) that she/he is.....

The students complete one sentence per a day and draw a picture to this sentence. One sentence = one piece of paper (print form).

Then it would me nice to take pictures of each page of book and put then together as one presentation (try to use Adobe Spark Page, not ppt please)

Finally the students present their books about them to other classmates.

Evaluation:

I liked when you.....

The most interesting thing in you book was.....

We have..... in common.
