Margarida

M argarida, I think that

A ll the letters of your name have

R eally a meaning:

G is the first letter of good music, because you are keen on listening to it.

A is for army green, that is your favourite colour.

R goes with reading books, because that's one of your activities during your spare time.

I symbolizes interested, in fact, you are interested in many subjects.

D is for dog because you love yours much.

A s I have said, each letter describes your personality.
