

Wawel

Wawel is a fortified complex built over many centuries atop a hill on the left bank of the Vistula river in Kraków, Poland.

The complex consists of many buildings and fortifications. The largest and best known of these are the Royal Castle and the Wawel Cathedral (which is the Basilica of St Stanisław and St Wacław).

The oldest stone buildings of Wawel can be dated to 970AD.

1. When was Wawel the residence of the President of Poland? 2p.
2. What is the most popular myth of Wawel ? 1p.
