## Sunday 7

Return of delegations to their countries of origin

## **Attachment:**

1. Identification of modules / learning units--- Module 1 and 2 (\*\*\*)
2. Questionnaires will be available in English thanks to the Leeds Beckett University

### **Module 1**

What is school dropout? What are the tools that Europe uses to investigate it? What are ESL / ELET indicators? What is the situation in Europe? And in the countries involved in the Erasmus Project (IT, FR, GB, SP, BU)?

### **Module 2**

What are the strategies of international organizations and of Europe to face school dropouts? From the “Cresson White Paper” to the EU 2020 objectives. The Italian legislation in comparison with the member countries of the Erasmus network. The profile of the inclusive teacher.

**Graphs, materials, handouts, publications will be provided by The CIDI partner.**

**Groups (divided according to their country origin) are expected to reflect upon the material, using grids, arranged in advance by CIDI, and to carry out a personal document, containing experience of the teachers, that will be part of the general Outcome.**
