**12:30 pm** Break (lunch together)  
**01:30 pm** Return of delegations to their countries of origin

(\*) During the mobility in Burgas we suggest to deepen inclusive methodologies and educational tools, in particular, the teaching methodology called L.E.S. (Learning Events Situated) with a workshop led by Gianna Canni, of the "GIULIO" School. Afterwards, ACMOS could train us on a Lab about the use of Google Maps, according to their Intellectual Output. Of course the Bulgarian partners could organize workshops about virtual learning environments, such as Edmodo or collaborative spaces like Google Suite.
