ONLINE MOBILITY PROPOSAL

Partner organisation:

IPS “Albe STEINER” Secondary School , Turin - ITALY

Indicate your theme:

Experiences and use of digital platforms in the classroom

Webinar topic:

Using GOOGLE WORKSPACE as a teaching/learning platform

Phase 1:

An asynchronous activity

Duration - 1 hour.

Prerequisite: participants are asked to get a personal account Gmail, in order to use Google Apps

The participants will get familiar with some of the most common Apps.

Share your account to be enrolled into a Classroom Course to

teachersahead.eplus18@gmail.com

English Video tutorials will be uploaded.

Which day and time:

Phase 1 will take place in the period 14-17/12/2020.

Phase 2:

A synchronous activity using Google Meet

Duration - 2 hours.

A webinar, where the host institution defines the theoretical-practical frame of reference of the topic and explains the work to be developed by the different groups in the third phase.

The webinar will cover the following topics:

- **Google Docs training**
- **Google Classroom training**
- **Google Forms training**
- **Google Meet training**

Which day and time:

Phase 2 will take place on 18/12/2020; 16.30 -18,30 h C.E.T.

How will attendance/ participation be evidenced?

The participants will be registered upon logging into Google Platform. Logs of the activities will be taken throughout the webinar. The webinar will be recorded and shared on the platform to be available to all partners/participants.

Phase 3:

An asynchronous activity

Duration - 2 hours.

The different groups will create a micro Teaching & Learning Unit using one or more of the Apps and will share it on Classroom.

The host partner will provide feedback on the product created by each group/participant.

Which day and time:

Phase 3 will take place in the period 19/12/2020 – 31/12/2020

How will attendance/ participation be evidenced?

The participants will be registered upon logging into the 'Teachers Ahead' training platform. Logs of the activities and screenshots will be taken throughout the webinar. The created products will also serve as evidence.
