**Enjoy the week with us**  
**Erasmus Plus**

We arrived in Rhauderfehn  
And our families picked us up  
At first we were all shy  
But then we opened up  
We learnt about the power  
You can produce with wind  
*We improved our English*  
*"Weil wir ja Österreicher sind!"*

**Erasmus Plus, Erasmus Plus**  
**Europe in our class**  
**Erasmus Plus**  
**Join in and make no fuss**  
**Erasmus Plus**  
**Enjoy the week with us**  
**Erasmus Plus**

When we were in Romania  
The memories were the best  
We had high expectations  
And we were quite impressed  
We went to many places  
Zarnesti, Bucharest  
Our trip to Romania  
Was incredible, unforgettable

**Erasmus Plus, Erasmus Plus**  
**Europe in our class**  
**Erasmus Plus**  
**Join in and make no fuss**  
**Erasmus Plus**  
**Enjoy the week with us**  
**Erasmus Plus**

Zwickau, new friends  
having a good time  
Improving our English  
One week 's a long time  
We learnt about business  
job interviews and more  
A day trip to Dresden  
and a wonderful walking tour

**Erasmus Plus, Erasmus Plus**  
**Europe in our class**  
**Erasmus Plus**  
**Join in and make no fuss**  
**Erasmus Plus**  
**Enjoy the week with us**  
**Erasmus Plus**

In Augustenborg, in Denmark  
 we had a lot of fun  
 Meeting different people  
 and sitting in the sun  
Chatting in English  
Making new friends  
Staying in contact -  
 this friendship never ends

We have had so many projects  
 And this is our last  
 Building bridges for the future  
Learning from the past  
 We should all work together  
 But sometimes have a rest  
Together we are stronger  
 In Europe we are the best

**Erasmus Plus, Erasmus Plus**  
**Europe in our class**  
**Erasmus Plus**  
**Join in and make no fuss**  
**Erasmus Plus**  
**Enjoy the week with us**  
**Erasmus Plus**

**Erasmus Plus, Erasmus Plus**  
**Europe in our class**  
**Erasmus Plus**  
**Join in and make no fuss**  
**Erasmus Plus**  
**Enjoy the week with us**  
**Erasmus Plus**

When we went to Vienna,  
 We learnt very much,  
 We met many people  
 with whom we keep in touch,  
 We visited the Prater  
 we visited the zoo  
 About tourism and marketing  
 we now have a clue

**Erasmus Plus**

**Erasmus Plus, Erasmus Plus**  
**Europe in our class**  
**Erasmus Plus**  
**Join in and make no fuss**  
**Erasmus Plus**  
**Enjoy the week with us**  
**Erasmus Plus**

**Thank you for 3 years**  
**Erasmus Plus!**
