

EXCHANGE PROGRAMME

Green micro:bit project
Slovenia, April 2019

**IVANO ŠARAVANJA,
ŽAN MAKOVEC,
NEJC TORKAR**

Monday

When we came to school, the school band welcomed us with 3 songs. After we had presentations about our country, city and school. After a short snackbreak we went to a music escape room and took a bus to Ljubljana. We were walking around Ljubljana and checked out the castle and The Robb well. At the end we checked the tower and went home.

1

Tuesday

First we came to school. There we had a presentation delivered by local architects about a project PAZ!PARK. We had a snackbreak and afterwards we went to the Plečnik University. They showed their roof garden to us. We came back to school and prepared for Bled. The bus took us to Bled, there we ate cream cakes and took some photos. At the end we went home.

Wednesday

We came to school and listened to presentations about plants. Then we made a program about watering the plants in the pallets and presented our ideas. After lunch we started writing this e-book. After that, we finished this book and had free afternoon.
