Minna Canth got married

by: Minea.

In 1865, Minna left his studies when he married Johan Ferdinand Canth lecturer in natural science at a seminary. They met in the fall of 1863, Minna at the age of 19 and Ferdinand at the age of 28. They were married for about 14 years. Minna's actual career as a writer began only after Ferdinand's death in 1879. Minna was 53 at the time of her death and was still 16 years after her husband's death.
